

Physics 325
Quiz 2, January 22 2009

Name: _____

Is an electron a lepton or a hadron?

Is a proton a lepton or a hadron?

Is an electron a fermion or a boson?

Is a proton a fermion or a boson?

Is a proton a meson or a baryon?

Donut point question: tell me something about leptons or hadrons or mesons or baryons that I didn't ask on this quiz.
