

Home School Applicant Supplement Form

What led this student to home schooling?

Will this student receive a state certification or G.E.D. (neither is required by the university for enrollment)?

Outline the curriculum that you chose. Are you affiliated with any local, state or national home schooling organizations (group curriculum, extracurricular activities, etc.,)?

On what scale was work evaluated? Was a grading system used?

Please include any additional information you feel is valuable to our understanding of your individual home schooling situation.
