Are you eligible for employer-paid tuition benefits? \_\_\_\_\_

If "yes", briefly describe the nature and extent of the benefits: \_\_\_\_\_

The information you provide on this form and in related documents is essential to us in determining financial need. Since we follow independently devised guidelines based on the practical circumstances (income and expenses) in a given household (not necessarily those used in determining government-funded aid), we may require additional documentation in order to arrive at a decision. We treat all information in a confidential manner. **Please provide all information and documentation we require; we will simply return any application we consider incomplete.**

Ordinarily the aid derived from any SCE award together with any outside-funded grant aid will not total more than the charges for tuition and fees. SCE reserves the right to determine whether an application meets the philosophy and intent of its aid programs.

**A. Answer ALL the following either "Yes" or "No"**

1. Did you or will you live with your parents or other supporting adults (other than spouse) six weeks or longer during 2008 \_\_\_\_\_? during 2009 \_\_\_\_\_?
2. Did you or will your parents or any other supporting adults (except spouse) claim you as an income tax exemption during 2008 \_\_\_\_\_? during 2009 \_\_\_\_\_?
3. Did you or will you receive \$2,300 or more in cash or other support from parents or other supporting adults (other than spouse) during 2008 \_\_\_\_\_? during 2009 \_\_\_\_\_?

- B.** All applicants must provide with this application *a copy of page 1 of their (and/or their spouse's) 2008 or 2009 Federal Income Tax (1040) form + W-2 forms.* (The "E-File" version is acceptable only for incomes under \$25,000.) If you have no copy available, we will usually accept a new blank form completed by you, or your FAFSA figures. Nontaxable income (DPA, Unemployment Compensation, etc.) must be supported by similar appropriate verification.

If you answered "yes" to any part of Section A, you *must* enter income for "parents or other supporting adults". A copy of parental or other adult Federal Income Tax (1040) form may be required.

**We will return any application which is not accompanied by the required documentation.**

2. Indicate any unpaid **Student Loan debt** incurred by yourself or any other member of your household and provide documentation. Our general practice is to subtract such debt from gross income in assessing level of eligibility for the Adult Access Award. Also list any exceptional circumstances that you think we should consider in deciding upon your eligibility. These can include periods of unemployment, extraordinary medical expenses, etc. (Supply verification whenever possible.) These circumstances do not include home mortgage or auto loan payments, rent, and similar normal accompaniments of adult living.
